

BUILD MODEL STUDENTS WITH 3D PRINTING — **FOR LESS!**

Apply Today for Z Corporation's High School Grant Program

Purchase a ZPrinter today and receive:

- \$4,000 grant for a ZPrinter 310 Plus
- \$10,000 grant for a ZPrinter 450
- Extended warranties
- Discounted consumables

Z Corporation's 3D printers are the fastest on the market and have the industry's lowest operating costs, helping you stay within budget while giving students the tools they need to succeed. And now, with Z Corporation's High School Grant Program, 3D printing is more affordable than ever.

Engage students

by turning their ideas into real-life 3D color models.

Enhance the learning process.

Encourage advancement with 3D models that make a powerful impression.

Contact your Z Corporation dealer today to apply for the High School Grant Program or to find out about our basic education package, or visit www.zcorp.com.

Z CORPORATION®

Schools do not need to be part of their buying club to receive this competitive pricing. Available only to high schools in the U.S. Applicants must submit an authorization form to Z Corporation through their dealer. All applications must be approved by Z Corporation. This offer cannot be combined with other discounts. This program is in effect until December 31, 2009. All orders must be received by that date.
